

“Seramiksan sözü”

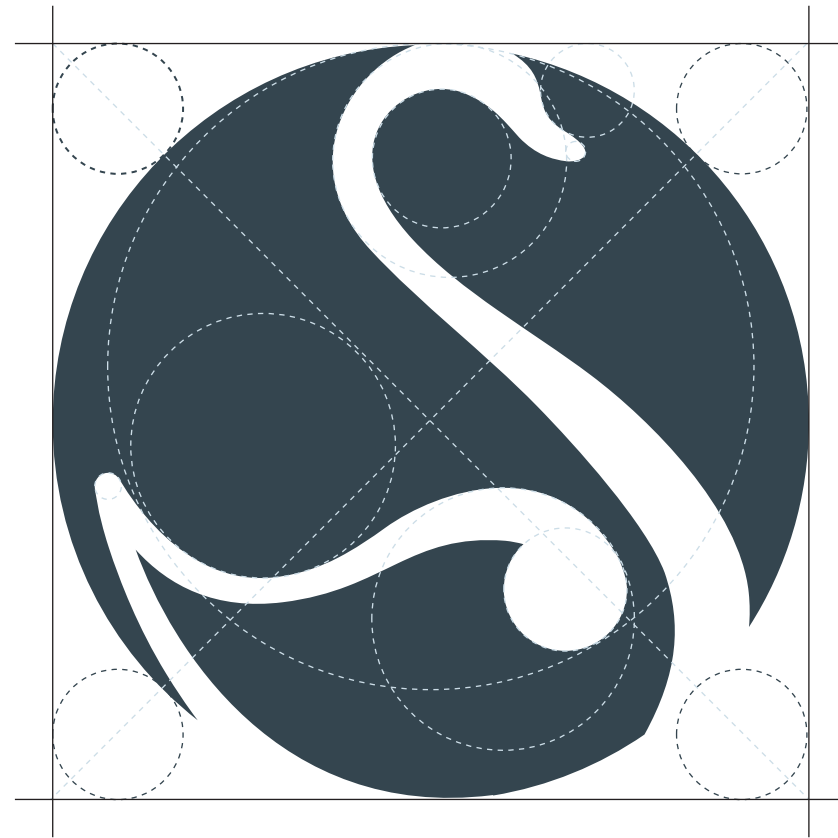

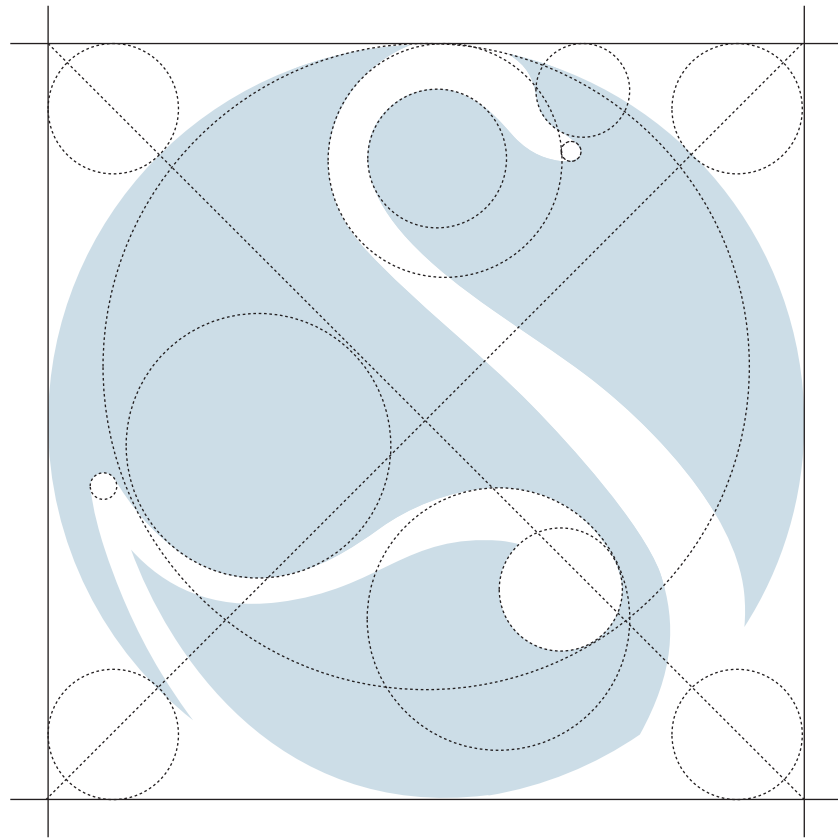

Yıllar önce kendimize verdiğimiz bir sözle yola çıktık.

Bu söz; **Türkiye’ye ilkleri ve tekleri getirmenin, iyi tasarımı herkesle buluşturmanın, doğadan gelen sınırsız renk ve seçeneği mekanlara taşımanın, hayatı güzelleştirmenin sözüydü.** Bu söz; dayanıklılığın, ileri teknolojinin ve yüksek kalitenin sözüydü.

20 yıldır her yeni güne bu sözle başladık. Karşımıza çıkan engelleri aşmak için hep bu sözü hatırladık, hatırlattık. Bugün Türkiye’de ve dünyada sayılı üreticiler arasındaki yerimizi aldık. Ancak daha tutacak çok sözümüz var.

Çünkü ürettiğimiz her seramik bir sözdür bizim için. Seramiksan sözü...
